Biking round in the City and its Vicinity

BALATON ALMÁDI

Biking round Balatonalmádi and its Vicinity

Balatonalmádi is located on a picturesque part of the northern shore of Lake Balaton. The shores are encircled by sandstone hills from where there is a wonderful view at the lake. Balatonalmádi is the fourth largest resort along the lake and belongs to the "Balaton Riviére". It is a special joy to cycle around the township. Due to its geographical location Balatonalmádi is the starting point of quite a few tours. Reading over the different suggestions for bike tours of various difficulty-level and the beauty-spots listed everybody can choose the exact route to his or her taste, interest and ability.

Our township is rich in beauty-spots and it is time you became familiar with them. Jump on your bike and follow us !

BIKING ROUND THE TOWNSHIP:

There are 9 kilometres long bike route and 10 kilometres long bike-friendly route sections in Balatonalmádi. You can approach the township from 4 directions:

1. Budapest- Balatonfűzfő
2. Balatonfüred
3. Felsőörs
4. Veszprém-Szentkirályszabadja

Coming from Veszprém we will reach the Remete Valley, Springs and Határ Street, then Kisberény Street bike-route. Turning left we can reach **the Calvinist Fortified Church** and **the Saint Ignatius Roman Catholic Church** with a short loop across Balázs Béla and Ady Streets, and bit farther off we can see **the Home of Hungarian Wines and the Wine Museum**. Biking downhill from Veszprémi Road we turn left to reach the bike-route along Árpád Street,

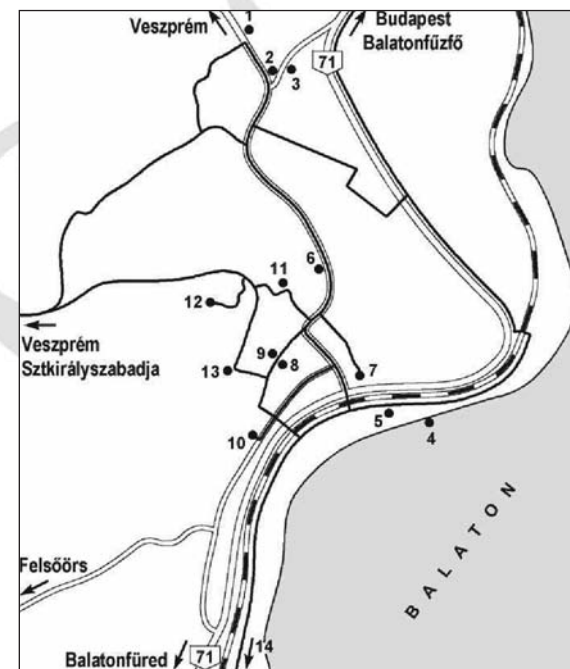

Kövesalja Street and Balatonfűzfő Road. Biking along the shore we will get to **the Boat Harbour** and **the Old Park** where we can see **the Music Pavilion, the Bridge of Sighs, Eternal Flame, precious busts, monuments and plant rarities**. Biking on towards Káptalanfüred we will get to **the Open-air Chapel**.

If we choose to visit the downtown area then we bike downhill following the Veszprémi Road from Vörösberény and we can see a bouquet of beauty-spots. Our first stop is at **the Saint Margaret Chapel** at the Marketplace then we can get to the downtown across Széchenyi Promenade. Some of the sights worth seeing include the memorial columns of the one-time **Zsák Restaurant**, **Millennium Cross**, **the statue of Pannonia Aqua**, **the starting point of the Red Sandstone Tourist Path**, **Hungary's Relief Map** carved out of red sandstone, **the Town Hall**, **the Pannonia Cultural Centre and Library** with **the Tourinform Office** downstairs.

Biking farther to north we can have a look at **the Calvinist Church** on Baross Street, **the Monument to the War Heroes**, **the Saint Emery Roman Catholic Church** and **the Chapel of the Holy Dexter** on the dr. Óvári Street. Finally, we can finish our tour at **the Köcsi Pond** in Káptalanfüred where can meet **the Red Sandstone Tourist Path** again.

Once we wish to bike uphill and a wonderful panorama then we should turn right at the junction of Veszprémi Road and Széchenyi Promenade and follow the cobblestoned street uphill to reach **the Quarry Park**. There you can have a short rest and bike farther uphill to **the Óvári Lookout Tower** to admire the wonderful panorama waiting for you.
